AS A PARENT/GUARDIAN:

I have read and understand the responsibilities of my son or daughter as a participant in athletic activities at Pacific Baptist School.

This handbook is designed to inform the athletes at Pacific Baptist School of the philosophy and rules of our athletic program. This handbook does not apply to every student at Pacific Baptist School. It applies only to those who choose to participate in athletics.

TRADITION

We have labored to build a tradition of excellence at Pacific Baptist School. We attempt to provide the best facilities, equipment, and officials available for our program. We always strive to be the best in character, as well as in performance. As a part of the Pacific Baptist School athletic program, you should strive to keep that tradition alive.

PHILOSOPHY

Our philosophy of athletics is not the same as the philosophy of most schools. Our main goal is not to win games, but rather to glorify the Lord Jesus Christ and to prepare young men and women for the ministry. We believe in hard work, teamwork, cooperation,

and submission to authority. Learning these principles now will make your transition to adulthood easier.

Our athletes represent their Lord, their parents, their church, and their school; they are visible examples on our campus and at athletic events. As a result, there are certain requirements placed on them that do not apply to the overall student population. Participation in athletics is strictly voluntary. However, adherence to these requirements by our athletes is not. If you cannot live by these requirements, do not fight against them. Simply determine that you will not participate.

The bottom line is that you should enjoy your time in the athletic program. Do not make these requirements seem more restrictive than they are. Rather look at them as guideposts in your Christian development. If you have questions about any of these requirements, please ask the Athletic Director or the principal.

- a. Should a parent approach a coach at any away contest and request that his/her athlete ride home with him/her, the coach may agree.
 - b. An athlete will not be allowed to ride home with another student unless they are related.
2. Food and beverages are permitted, but leftovers and empty containers must be discarded and the bus cleaned.

2. An athletic team member may wear his uniform top on the day of a home game only. Normally, the wearing of school athletic items will be reserved for special occasions.

TRANSPORTATION

Pacific Baptist Schools will provide transportation for all athletes, support staff, and coaching personnel of athletic teams in authorized school vehicles when the contest or practice has been scheduled away from the school site.

Team members are strictly forbidden to drive automobiles transporting other team members to an athletic event or to be driven by another student to an athletic contest or practice site.

1. Under certain circumstances or in exceptional situations where it creates an inconvenience for the family, athletes may be excused from riding to or from an athletic event in school-authorized transportation.

ADMINISTRATION

Dr. Joseph Esposito	--	Pastor and Founder
Johnny Esposito	-	Administrator
Sara Vong	--	Vice-Principal
John Esposito	--	Athletic Director

OBJECTIVES

- 1) To learn teamwork – To work with others in a democratic society, an individual must develop self-discipline, respect for authority and the spirit of hard work and sacrifice. Athletes must place the team and its objectives higher than personal desires.
- 2) To have fun – the main reason people participate in athletics and games
- 3) To be successful – Our society is very competitive. We do not always win, but we succeed when we continually strive to do so. You can learn to accept defeat only by striving to win with earnest dedication. Develop a desire to excel.

4) Sportsmanship – To accept success and defeat like a true sportsman, knowing you have done your best. We must learn to treat others as we would have others treat us. We need to develop desirable social traits including emotional control, honesty, cooperation and dependability.

5) To improve – Continual improvement is essential to good citizenship. As an athlete, you must establish a goal and constantly strive to reach that goal. Try to better yourself in the skills involved and in those characteristics set forth as being desirable.

6) Enjoy athletics – It is necessary to acknowledge all of the privilege that are gained from athletics and to give sufficiently of ourselves in order to preserve and improve the program.

7) To develop good health habits – To be an active, contributing citizen, it is important to obtain a high degree of physical fitness through exercise and good health habits.

c. Number of students to be selected.

d. Practice commitment for those who make the team.

e. Game commitments.

3. Team Selection Procedure

USE OF ATHLETIC EQUIPMENT

It is important to emphasize to all student athletes their responsibility as team members to take good care of school equipment and report any abuse to their coaches or Athletic Director. Replacing or repairing equipment can be expensive.

1. Athletic Department-issued wearable equipment is to be worn only during practice and athletic contests. At no time are student athletes to wear school-issued equipment or uniforms for:

a. Physical education classes.

b. Work or job.

c. Social events.

d. School wear (exceptions noted in #2).

1. Philosophy

In accordance with our philosophy of athletics and our desire to see as many students as possible participate in the athletic program at Pacific Baptist School, we encourage coaches to select as many students as they can without compromising the integrity of their sport. Obviously, time, space, facilities, equipment, athletic ability, and other factors will place limitations on the most effective squad size for any particular sport. However, when developing procedure in this regard, coaches should strive to maximize the opportunities for student athletes without diluting the quality of the programs.

2. Team Selection-Coach's Responsibility

Choosing the members of the athletic teams is the sole responsibility of the coach. Junior Varsity and Varsity coaches must take into consideration the policies established by the head coach in each particular program when selecting team members.

Prior to trying out, the coach should provide the following information to all candidates for the team:

- a. Extent of the tryout period.
- b. Criteria used to select the team.

RESPONSIBILITIES OF A PBS ATHLETE

Being a member of a Pacific Baptist School athletic team is the fulfillment of an early ambition for many students. The attainment of this goal carries with it certain traditions and responsibilities that must be maintained. A great athletic tradition is not built overnight. It takes the hard work of many people over the years. As a member of our athletic program, you have inherited a wonderful tradition, a tradition you are challenged to uphold.

Our tradition has been to win with honor. We desire to win, but only with honor to our Lord, our athletes, our school and our church. Such a tradition is worthy of the best efforts of all concerned.

It will not be easy to contribute to such a great athletic tradition. When you wear your school colors, we assume that you not only understand our traditions, but also are willing to assume the responsibilities that go along with them. However, your contributions should be personally satisfying to you.

• **Responsibilities to Yourself** - The most important of these responsibilities is to broaden yourself and develop strength and character in Christ. Your studies and your participation in other extra-curricular activities, as well as in athletics, prepare you for life as an adult. You should practice and play to the best of your ability every day.

• **Responsibilities to Your School** - Another responsibility you assume as a team member is to your school. Pacific Baptist School cannot maintain its position of having outstanding programs unless you do your best in the activities in which you participate. You should participate in athletics to the best of your ability; you are a part of the reputation of your school.

You assume a leadership role when you are in our athletic program. The student body and church members know you and will judge our school by your conduct and attitudes, both on and off the court. Because of this leadership role, you can contribute greatly to the school spirit.

20. Practice uniforms will be PBS P.E. uniforms. Sleeveless shirts are **not** to be worn.
21. No fad, punk, spiked or gay hair styles are permitted. Hair styles that we would consider worldly are also not allowed.
22. Tennis shoes (no flip-flops) may be worn for return bus trips. These shoes must be well maintained, laced, tied, and clean.
23. Flip-flops are not permitted at practice, after games, during games, or at any time an athlete is wearing a PBS uniform.
