[www.pacificbaptistschool.com](http://www.pacificbaptistschool.com)

Pacific Baptist School admits students of any race, color, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made on the basis of race, color, national and ethnic origin in the administration of its educational policies, admissions policies, scholarship and loan programs, and athletic and other school-administered programs.

# DISCLAIMER

Parents who are enrolling their children in Pacific Baptist School are liable and responsible for all of the information enclosed in this registration packet. This refers to turning in health and registration paperwork, and making the proper payments on the appropriate dates laid out in the packet.

Pacific Baptist School may send reminders by way of phone calls, letter notifications, etc. as a courtesy to assist the parents in remembering the registration dates. In the event that families forget or leave on vacation and do not turn in the required paperwork or make the proper payments by the required dates of the registration packet, PBS will not be able to grant extensions.

The general purpose of the dates/deadlines given in the enrollment packet is to help both the school staff and parents be ready for the child's upcoming school year. It helps the staff be better prepared for whom they are teaching when school begins. It also helps the parents who follow the paperwork and payment deadlines set up in the registration packet have a more enjoyable school year. Parents who have taken care of their children's registration fees, (curriculum, supply, locker, basketball, Junior Patriots, ladies' volleyball, and graduation fees) before school starts, will only have their child's tuition fees during the year to care for. In the long run it makes attending PBS more affordable and easier for parents to enroll their children in PBS. Therefore, this will help in ensuring a more successful year for the staff, parents, and students!

# STANDARD OF CONDUCT FORM

(to be filled out by each child 4th Grade and above)

Student's Name \_\_\_\_\_

## General Policy

Students are expected to abide by these standards of conduct throughout their enrollment whether at home, church, or elsewhere. Students found to be out of harmony with the church-school's ideals of work and life may be invited to withdraw whenever the administration determines that it is necessary.

As a student of the church-school, I pledge to uphold this church-school's standards against cheating, swearing, smoking, gambling, dancing, drinking alcoholic beverages, using or talking favorable of narcotics or using indecent language and will act in an orderly and respectful manner. I will maintain Christian standards in courtesy, kindness, morality, and honesty. I will strive to be of unquestionable character in dress, conduct and other areas of my life.

I agree to abide by the above standards of conduct and other regulations expected of each student enrolled in this Christian Education Program while I am a student attending the church-school and will not give the impression to students, parents, or faculty that I am not in harmony with the goals, aims, and standards of the church-school.

The student's attitude, conversation, and behavior reflect the character of the institution from which he derives his training, both home and church. This form reflects the church-school's attempt to secure students who would best adjure to the rigor of a highly disciplined training program, which must set high standards. These standards will result in a Student's character to lead in reformation for our nation and the world.

# PARENT'S PLEDGE OF ACCEPTANCE

I agree that my son/daughter, \_\_\_\_\_, will be faithful to the services of Pacific Baptist Church. I understand that this will enable the leadership of Pacific Baptist Church to better help my child. I also understand that NOT attending the services will terminate his/her enrollment at Pacific Baptist School.

We, as parents who are accepting the challenge to "train up a child in the Way he should go," do state that this training will be carried on in the home. We shall place our trust in Pacific Baptist School to extend that training more completely.

We pledge that our child will bring to the school a heritage of Christian Culture. We promise that the home will provide a secure heaven of safety—free from the influence that we recognize as harmful.

We do hereby state we have considered the curriculum, statement of faith, texts, equipment, methods, testing, counseling, discipline, and motives of the school and do pledge to make them our glad-hearted choice for the coming school year.

We do hereby pledge to be involved with our child concerning the doing of his/her homework.

We pledge that, if for any reason, our child does not respond favorably to the school, we will not try to change the school to fit his needs, but will withdraw him quietly and that without delay. (Six weeks are adequate for most students. The one who has not adjusted by the end of twelve weeks should be withdrawn.)

We pledge our loyal support to the school through praying for its program and by paying the tuition payments regularly and on time.

We further agree that we will cooperate and discipline our child in the home as needed (Proverbs 13:24; 19:18; 22:6; 23:13-14; 29:15, 17; Col 3:20; Heb 12:6).

We understand that assessments will be made to cover damage to school property (including breakage of windows, abuse of books, etc.).

We agree to pay the tuition according to arrangements that shall be made and to conclude all required payments on or before the last day of school. We understand that tuition for one year must be paid before the pupil may continue the next year and the report cards will be withheld at the end of the school year if required payments are not made in full.

We, as parents of the student applicant, do sincerely give our pledge to all items as stated above.

# Parents of Children In or Entering School or Child Care

**REFERENCE** Health and Safety Code, Division 105, Part 2, Chapter 1, Sections 120325-120380; California Code of Regulations, Title 17, Division 1, Chapter 4, Subchapter 8, Sections 6000-6075

**WHY YOUR CHILD NEEDS SHOTS** The California School Immunization Law requires that children be up-to-date on their immunizations (shots) to attend school or child care. Diseases like chickenpox, measles, and whooping cough spread quickly, so children need to be protected before they enter. Most children need booster shots before starting kindergarten. 7th grade entry requirements went into effect July 1, 1999. A varicella (chickenpox) requirement for kindergarten entry and child care attendance went into effect July 1, 2001.

**WHAT YOU WILL NEED AT REGISTRATION** You will need your child’s Immunization Record. It must show the date your child was given each required shot. If you do not have an Immunization Record or your child has not received all required shots, call your doctor or local health department now for an appointment.

**THESE ARE THE SHOTS THAT ARE REQUIRED** Review your child’s Immunization Record to make sure you have a date for each shot required.

Vaccine	NUMBER OF IMMUNIZATIONS REQUIRED TO ENTER, BY AGE OF CHILD							
	Child Care					School		
	2-3 months	4-5 months	6-14 months	15-17 months	18+ months	4-6 years	7-17 years	7th grade
Polio (OPV/IPV)	1	2	2	3	3	4 <sup>a</sup>	4 <sup>b</sup>	
DTP/DTaP	1	2	3	3	4	5 <sup>a</sup>	3 <sup>b</sup>	
Td Booster								[1 <sup>c</sup> ]
MMR				1 <sup>d</sup>	1 <sup>d</sup>	2 <sup>e</sup>	1 <sup>e</sup>	2 <sup>e</sup>
Hepatitis B	1	2	2	2	3	3		3 <sup>f</sup>
Hib	1	2	2	1 <sup>d</sup>	1 <sup>d</sup>			
Varicella					1 <sup>g</sup>	1 <sup>g</sup>	1-2 <sup>h</sup>	

<sup>a</sup> This number includes kindergarten boosters. If your child is 4-6 years old, entry requirements are met with only 3 polio and 4 DTPs if at least one polio and one DTP dose were after your child’s fourth birthday.  
<sup>b</sup> For children 7–17 years old, entry requirements are met with only 3 polio and 3 DTP or DT/Td if at least one polio and DTP or DT/Td were after your child’s 2nd birthday. For students age 7 years and older, pertussis immunization is not required.  
<sup>c</sup> A Td booster is recommended but not required.  
<sup>d</sup> One dose must be on or after the 1st birthday regardless of any doses received earlier. The Hib requirement applies only to child care children under age 4 years and 6 months.  
<sup>e</sup> One dose on or after the first birthday is required for grades 1–6 and 8–12. Mumps immunization is not required for students age 7 years and older.  
<sup>f</sup> Two doses of the 2-dose hepatitis B vaccine formulation along with provider documentation that the 2-dose hepatitis B vaccine formulation was used for both doses and both doses were received at age 11–15 years will also fulfill this requirement.  
<sup>g</sup> If your child had chickenpox disease, ask your doctor to note it on the immunization record to meet the requirement.  
<sup>h</sup> Required for children not enrolled in California schools before July 1, 2001. 1 dose required for grades K–12. For children 13–17 years old, 2 doses are needed if vaccine received after 13th birthday.

If your child’s record is missing some doses, please contact your doctor or clinic now to obtain the full immunization record or any doses needed. If your child recently received immunizations and needs an immunization later in the year, he/she can be allowed to attend, provided you get the remaining doses when they become due.

Your child may be exempted from some or all immunizations by a doctor because of a medical condition. Your child may be exempted by you because of your personal or religious beliefs. Ask your school or child care provider for details.

## **STUDENTS ENTERING FIRST GRADE**

**Proof of immunization is required at the time of registration. Students may not complete registration without it.**

### **Physical Examination**

The Child Health and Disability Prevention (CHDP) Program was created based on a law passed by the California State Legislature to promote the health of children and youth in California. The law states that parents are responsible to see that their children receive a health examination, regardless of income, within 18 months prior to first grade entry or 90 days thereafter. Furthermore, the parent must present proof to the school that the child received a health examination within this time period.

One out of every ten children entering first grade has a health problem unknown to the parent. When your child is examined, you will be given an explanation of the results. If treatment is recommended, you will be referred to an appropriate physician.

We urge you to ask the physician to share with us any health problems which might affect your child's ability to learn or participate in physical activities. We have enclosed the form (REPORT OF HEALTH EXAMINATION FOR SCHOOL ENTRY - PM171A) that needs to be completed by your doctor. Bring this signed form into the school office after your child has been examined.

If you have any questions regarding this physical for your child, please call the school office at (562) 426-5214. It is much easier to get an appointment for your child during the summer months. Please do not wait until the last moment to schedule your child's appointment. Your child can not start school unless this examination is completed and the form is turned in to the school office.

PLEASE NOTE: If your child has already had the physical during K5 and the form has been turned in to the office, please advise the school office and disregard this letter.

## **STUDENTS ENTERING SEVENTH GRADE**

**Proof of immunization is required at the time of registration. Students may not complete registration without it.**
